Statutory Auditors' report on the authorization to grant existing or future shares for no consideration

Combined Shareholders' Meeting of June 22, 2018 – 30th resolution

This is a free translation into English of the statutory auditors' report issued in French and is provided solely for the convenience of English speaking readers. This report should be read in conjunction and construed in accordance with French law and professional auditing standards applicable in France.

To the Shareholders' Meeting of DBV TECHNOLOGIES,

In our capacity as Statutory Auditors of your Company and in accordance with the procedures set forth in Article L. 225-197-1 of the French Commercial Code (*Code de commerce*), we hereby report on the proposed authorization to grant existing or future shares for no consideration to salaried employees and/or company officers of the Company or companies directly or indirectly affiliated to it, a transaction on which you are asked to vote.

The total number of shares likely to be granted under this authorization may not represent more than 4.5% of the Company's share capital as of the date of this Shareholders' Meeting.

Based on its report, your Board of Directors proposes that shareholders authorize it, for a period that will expire at the end of the Shareholders' Meeting held to approve the 2019 financial statements, to grant existing or future shares for no consideration.

It is the role of the Board of Directors to prepare a report on the transaction it wishes to carry out. Our responsibility, when necessary, is to make comments on the information which is provided to you on the planned transaction.

We performed the procedures that we deemed necessary in accordance with the professional guidelines of the French National Institute of Statutory Auditors (*Compagnie Nationale des Commissaires aux Comptes*) relating to this engagement. These procedures consisted in verifying that the planned terms and conditions as described in the Board of Directors' report comply with legal provisions.
