MINUTES OF THE PROCEEDINGS

On April 20, 2020 at 8:30 a.m., the shareholders were convened by the Board of Directors in a Combined Ordinary and Extraordinary General Meeting at the registered office.

The preliminary notice was published in the BALO of March 16, 2020.

The notice of meeting was published in the BALO of April 3, 2020 and inserted in the legal publication "Les Petites Affiches" of April 3, 2020.

Shareholders holding registered shares were convened by letter dated April 1, 2020.

In accordance with the provisions of Article 4 of Order no. 2020-321 of March 25, 2020, the Board of Directors decided to hold the Shareholders' Meeting without the shareholders and other persons entitled to attend being present, either in person or by telephone or videoconference.

Pursuant to Article 4 of Decree 2020-418 of April 10, 2020, it is specified that the administrative measure limiting or prohibiting collective gatherings for health reasons at the place of the registered office and on the date indicated for the holding of the meeting is that resulting from Article 7 of Decree 2020-293 as amended, which provides: "*Any gathering, meeting or activity involving more than 100 people simultaneously in a closed or open environment is prohibited on the territory of the French Republic until May 11, 2020*".

Given the fact that shareholders were unable to attend the meeting in person, they were able to give a proxy to a person designated by name, to give a proxy to the Chairman or to vote by mail using the form provided for this purpose, which can be downloaded from the company's website (www.dbv-technologies.com) since the twenty-first business day prior to the meeting, as well as electronically via the secure Votaccess platform.

Postal votes and proxies could be sent to the company for the proxy holder under the conditions provided for in Article 6 of Decree 2020-418 of April 10, 2020.

These procedures for participating in this meeting and the voting procedures were described in the notices of meeting and were the subject of press releases published on April 10 and April 15, 2020.

The meeting is chaired by Michel de Rosen, chairman of the Board of directors.

The meeting is broadcast live in streaming via an Internet link accessible to all on the company's website.
